

Tacos, Tequila, and Cabernet Party at Reynolds Family Winery

2

Fine wine isn't the only adult beverage produced in Napa Valley. Steve Reynolds of Reynolds Family Winery also makes a darn fine tequila. You're invited to buy a seat for a very special springtime private party filled with vibrant flavors, sights, and sounds of both Napa Valley and Mexico.

The party will take place on the Reynolds Family 14-1/2 acre property that sits in the shadow of Atlas Peak, just south of Stags Leap. The evening's festivities include a taco truck offering an array of delicious specialty tacos to keep you well fed, plus cheese and charcuterie, and plenty of Reynolds Cabernet Sauvignon and tequila to sip, sample and savor. And it's not a party without music, so a mariachi band will keep things lively until the evening draws to a close.
