

## Ladies Lunch: The Healing Power of Music

Gala honorary chair Michelle Baggett has composed an uplifting afternoon that will feed the body, mind and soul with storytelling, research, and live music all focused on the healing benefits of music.

You will join Michelle for an exquisite wine paired lunch at the beautiful Alpha Omega estate in Rutherford. With the quintessential Napa Valley setting as the backdrop, Festival Napa Valley will assemble renowned musicians to perform and move you.

A researcher on the healing of music will be present for a thoughtful and inspiring conversation on the power of music to help young and old alike to express, process, connect, and heal.

Please join Michelle and friends for this thoughtfully prepared sensory journey.
