

2024 GALA SPONSORSHIP

This September you have the opportunity to make an important difference and help provide compassionate care for our community as a sponsor of our *Reflect & Rejoice* annual gala!

Proceeds from this event will help ensure our ability to provide high-quality, integrated care as we walk alongside our patients and their families when they face a serious illness, end of life, or are living with loss—regardless of their ability to pay.

Your support will benefit our essential community programs including:
Alzheimer's & Dementia Services, Adult Day Health,
Palliative Care, Hospice Services, and Grief Support.

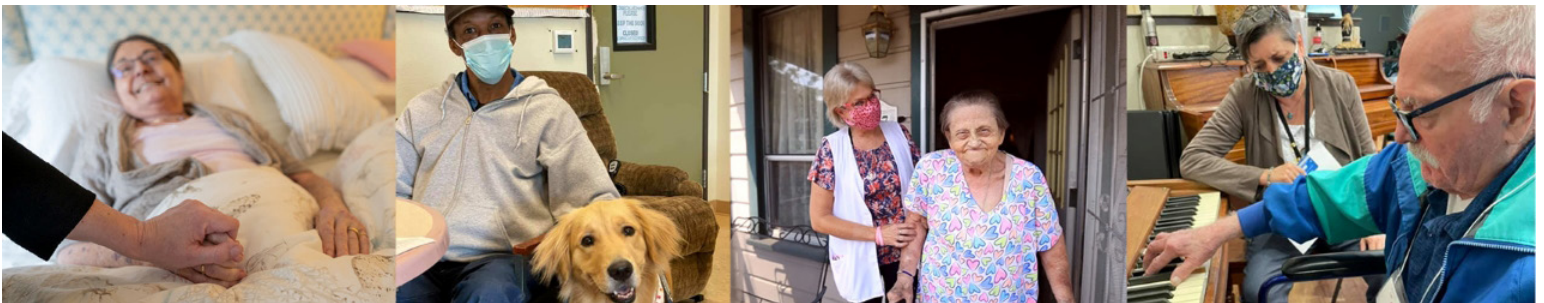

Here are a few examples of the important impact this year's gala will make:

\$125,000 – Palliative Care program support and charity care

\$50,000 – Community grief support services

\$30,000 – Hospice Necessities of Life program

\$25,000 – Adult Day Health program scholarships

OUR CELEBRATION

The 2024 *Reflect & Rejoice* celebration will raise essential funds to support our important local programs and services.

We are excited to hold our signature event on Friday, September 6. For 16 years, our annual gala has been one of the highlights of the fall social season in the Napa Valley and always offers an experience to remember. The event will feature a wonderful dinner, followed by the opportunity to bid on select premiere live auction lots and “fund-a-need” in support of the compassionate care we provide throughout our community.

During gala week we will also hold our much-anticipated online auction, featuring a wide range of items and experiences for bidders to enjoy, including rare wines, fabulous dinners, and more.

OUR GUESTS

More than 200 attendees are expected to join us for our in-person events with thousands more nationwide exploring our online auction.

Our typical guests are sophisticated, educated, and well-traveled. They range in age from mid-40’s to early 80’s with an average age of 60-70. While most have chosen the Napa Valley as their home, it is estimated that at least 50% have second or third homes around the country or internationally.
